A perfect log cabin mountain getaway, secluded but not out of the way! Located between Asheville, Hendersonville and Brevard; offering entertainment in abundance via a short drive! This 1.5 story turn-key 2 bed, 2 bath offers comfort and privacy. The vaulted ceilings allow for natural light which compliments the hardwood pine immensely and gives a feeling of grandeur. The lofted second level provides additional space for guests. Main level large covered wrap-around porch with hot tub is sure to relax you or your renters after adventurous outings! Furnished interior and bookings ample through Jan. 1st allows this investment property to produce passive income instantly, while also giving you and yours a retreat to the Blue Ridge mountains! Currently operating as VRBO, limited showings available.
